FOR GOOD MEASURE

EVEN IN OUR TROPICAL CLIMATE, THERE ARE TIMES WHEN A SHIRT AND TIE ARE SIMPLY NOT FORMAL ENOUGH. SIAN E JAY SHOWS YOU HOW TO ACHIEVE THAT CUTTING EDGE WITH A MADE-TO-MEASURE SUIT

If you are tall and slim with a perfectly proportioned physique, you will probably look sensational in a well-made, off-the-peg suit. But for the rest of us, those little imperfections here and there may need the illusory magic of made-to-measure tailoring.

stoop, or a thin chest, for example. The customer won't recognise himself."

"A GOOD TAILOR CAN COMPENSATE FOR UNEVEN SHOULDERS, A SLIGHT STOOP OR A THIN CHEST"

According to Mac Ho of Raffles Suits, a tailor is a man's best friend. London-trained Ho can advise on everything from the style and fabric to what to wear on which occasion. He is adamant that a man has to find a tailor who will advise, measure, cut and fit, identifying individual body types and "flaws" and making the most of the man. "A good tailor can compensate for uneven shoulders, a slight
